NOTICE OF RIGHTS

- Victims/survivors have the right to notify law enforcement of the incident and seek their involvement. Victims/survivors have the right to be assisted by campus authorities in notifying law enforcement, if requested. Victims/survivors also have the option to decline to notify and involve law enforcement.
- Victims/survivors and accused parties are both entitled to have one support person or advisor present when meeting with administrators and/or law enforcement.
- Victims/survivors and accused parties shall both be informed in writing of the outcome of any disciplinary proceeding.
- Victims/survivors and accused parties have the option to seek support services such as housing changes, academic support, or counseling services (*please see other side of this resource pamphlet for additional information*).
- There are many options for reporting incidents of sexual misconduct, including the Office of Equal Opportunity and the Tufts University Police Department. Confidential reporting options are also available (*please see other side of this resource pamphlet for additional reporting options*).
- In cases of sexual assault, it is important to preserve physical evidence. Physical evidence can be collected for up to 5 days after the incident. For more information, please see <http://oeo.tufts.edu/care/get-help/emergency-resources/>

Confidentiality and Privacy Information: Confidential reporting and support resources are available, including counseling and medical services (*please see other side of this resource pamphlet for additional information*). Other reporting options, such as the Office of Equal Opportunity (OEO), are not confidential but will protect individual privacy as best as possible. Information generally will be shared only to the extent necessary to complete an investigation and/or disciplinary process and to provide support resources if desired. The University will comply with required crime reporting which is published without identifying information.
