Attention Medical Practitioner:

The student named below has indicated that they have a disability or medical condition and will require reasonable accommodation(s) to participate in a program or activity at Tufts University.

In order for Tufts to proceed, we require additional information and are enclosing with this medical form (Accommodation Authorization for Release of Medical Information) so that the student is fully informed of what we are asking and can approve the release of the information needed. The American with Disabilities Act (ADA) requires the provision of reasonable accommodations to those who are disabled, i.e., have a medical condition that substantially limits a major life function. We are requesting the following information to determine if the student is covered under the ADA, and if so, an explanation of the nature of the condition specific to which major life activities the condition limits. The information that you provide will be used to better understand the nature, severity and treatment plan for the student's diagnosis and the appropriateness of requested accommodations or services. Please note that the information you provide must be current; in general, you must have seen the student within the last 6 months to meet this requirement. If you have recently begun treating this student you may find that you do not yet have sufficient information to respond to the questions on this form. If you have not had recent clinical contact with the student, or otherwise find that you cannot effectively complete this form, please inform the student directly. Please make sure to complete this form in its entirety.

Please return the completed signed forms or send them by fax (please adhere to HIPAA regulations and call before faxing) to Tufts University, Office of Equal Opportunity, at the following address/fax number:
