Attention Medical Practitioner:

The individual named below has indicated that they have a disability and will require reasonable accommodation(s) to participate in a program or activity at Tufts University. In order for Tufts to proceed, we require additional information about the individual's medical condition. We are enclosing with this a medical form (Accommodation Authorization for Release of Medical Information) so that they are fully informed of what we are asking and can approve the release of the information needed.

The Americans with Disabilities Act (ADA) requires the provision of reasonable accommodations to Tufts Community members, including visitors, patients and other members of the public who come to the campuses, who are disabled (i.e. have a medical condition that substantially limits a major life function). We are requesting the following information to determine if the individual is covered under the ADA, and if so, an explanation of the nature of the condition specific to which major life activities the condition limits. In addition, please advise us regarding what accommodations you believe the individual needs in order to be provided full access and participation during their visit to Tufts University. The individual should describe the details of their visit with you and make known to you any accommodations they are seeking.

Please return the completed signed forms or send them by fax (please adhere to HIPAA regulations and call before faxing) to Tufts University, Office of Equal Opportunity, at the following address/fax number:
