Privacy/Non-Retaliation Acknowledgement Form

[SMAP, SMAP-X and all Informal Resolution Processes]

By my signature below, I, _____, acknowledge and agree as follows:

1. A copy of the applicable Sexual Misconduct Adjudication Process (SMAP) or SMAP-X or Informal Resolution Process has been made available to me for my review. The privacy considerations surrounding these Processes have been discussed with me and I understand the importance of maintaining privacy and upholding the integrity of this process.
2. I understand that Tufts University does not restrict the ability of either Party to discuss allegations, gather evidence in their case, or speak to others who can support them. However, I understand that I should exercise caution when sharing such information so as not to harm, disparage, or defame other Parties or Witnesses involved in the process.
3. I understand that retaliation against anyone who brings forward a complaint of Sexual Misconduct (including sexual harassment) or who participates in an investigation is strictly prohibited. I agree to refrain from any retaliatory conduct against anyone else involved in this process in any manner and will encourage others to refrain from retaliation as well. I understand that anyone responsible for retaliation or threats of retaliation, whether that person is the Complainant or Respondent, someone affiliated with the Complainant or Respondent (i.e. an advisor, a friend or family member), or any other party, will be subject to disciplinary action by the University.
4. I understand that even after the process has concluded, I am expected to continue exercising caution in the disclosure of private information and that I can be held responsible for retaliation even after the process has concluded. Such a finding can result in sanctions up to and including permanent separation from the University.

Opportunity**

5. I understand that Witnesses who participate in the investigation or adjudication of a Sexual Misconduct case should not be intimidated, threatened, or improperly influenced in any way regarding this disciplinary matter. I understand that any attempt to improperly influence the testimony of a witness may result in a separate disciplinary action.

6. I affirmatively state that any testimony or information I provide in the SMAP, SMAP-X, or Informal Resolution Process will be truthful. I understand that the failure to provide truthful testimony or information may result in separate disciplinary action against me pursuant to applicable student and/or employee codes of conduct.
