Do you think you or someone you know has experienced unwanted sexual attention or sexual activity either on or off campus? Was it without consent? Sexual misconduct includes sexual harassment, gender discrimination/bias, sexual exploitation, sexual assault, rape, stalking and relationship violence. Sexual misconduct can occur regardless of gender or sexual identity/expression. Here are the on-campus resources you can turn to if you need assistance. Using these resources does not mean you are required to take action to address the misconduct. For more information visit http://oeo.tufts.edu/policies-procedures/sexual-misconduct-student/.
